# BOY SCOUTS OF AMERICA ADULT APPLICATION

As members of the Boy Scouts of America, high-quality adult leaders are important role models for youth. This application helps the chartered organization to select qualified leaders to serve as volunteers. Thank you for completing this application in full. See instructions on the inside cover.

#### **What Is Youth Protection Training?**

We seek to create as safe an environment as possible for young people to enjoy our program's activities. The Boy Scouts of America Youth Protection training addresses strategies for personal safety awareness for youth as well as adults. Age-appropriate programs and DVD materials include:

- Youth Protection Guidelines: Training for Volunteer Leaders and Parents—Adults come away with a much clearer awareness of the kinds of abuse, the signs of abuse, and how to respond and report should a situation arise. Youth Protection training must be taken every two years.
- Youth Protection Guidelines: Training for Adult Venturing Leaders—Designed to give guidance to the leaders in our teenage coed Venturing program. Supervision and relationship issues have a different focus regarding personal safety with this age group. Youth Protection training must be taken every two years.
- It Happened to Me—Developed for Cub Scout—age boys from 6 to 10 years old and their parents. It addresses the four rules of personal safety: Check first, go with a friend, it's your body, and tell.
- A Time to Tell—A video for Boy Scout—age boys from 11 to 14 years old—the target group for most molesters. It stresses the three R's of youth protection: Recognize, Resist, and Report.
- Youth Protection: Personal Safety Awareness—Developed for youth ages 13 through 20 in the coeducational Venturing program. It deals with issues pertinent to this age group.

Youth Protection training is available on www.scouting.org. Select the My Scouting tab and create a login to take the online Youth Protection training.

The Boy Scouts of America has adopted these policies primarily for the protection of our youth members; however, they also serve to protect our adult volunteers and leaders from false accusations of abuse.

# Two-deep leadership—No one-on-one contact—Respecting privacy—Reporting problems ScoutParents (www.scouting.org/scoutparents)

ScoutParents has been designed to increase youth and parent recruitment, retention, advancement, participation, dedication, and a passion for Scouting. Your involvement and commitment is essential to the success of your child's Scouting experience. We encourage the parents (guardians) for each child to:

- 1. Participate with them.
- 2. Go to and observe their meetings.
- 3. Be part of their unit's program—both weekly meetings and outings.
- 4. Support the program financially.
- 5. Coach them on their advancement and earning of recognition awards.
- 6. Help in at least one support role during the year.
- 7. Take Youth Protection training (available online).
