

Pack 837 Guidelines for Financial Assistance

1. I understand that Boy Scouts of America is a non-profit organization; therefore, Pack 837, by charter, is also a non-profit organization. The Pack functions on a self-supporting budget and expect no financial support from the Charter organization.
2. I understand that the Pack is a family orientated organization run by the parents and other volunteers interested in providing a fulfilling and fun program for my son. I understand that without parent involvement in the planning and execution of the program there is no program. I agree to assist the Pack Leaders to the best of my ability when called upon at Den and Pack Meetings.
3. I understand that the Pack Committee has a responsibility to the parents and scouts to be diligent concerning the use of pack funds and it is under the discretion and approval of the Pack Committee to waive a scout's yearly dues and incur the costs of the required uniform on the scout's behalf.
4. I understand that the Pack Committee approval for scholarships covers an individual scout's yearly dues and costs of the uniform to the parent(s).
5. I understand the Pack Committee approval of scholarship is dependent upon the following terms:
 1. Participation is required in the pack annual pack popcorn fundraiser to help fund pack expenses and participation in the annual camp card sales is required if you want your child to attend cub camp.
 2. Participation is defined as a scout actively attempting to sell popcorn or camp cards to the public as an individual scout or as a member of group of scouts selling at a specific location.
 3. If the scout does his best to meet the sales goals expected of each scout and you as the akela is unable to fund the difference between scout sales and scout sales goal, you are responsible for bringing this to your den leader's attention.
 4. After discussing this need with the committee, you will be asked to serve the pack to contribute to the health and growth of your scout community.
6. I understand participation in fundraisers and volunteering in various roles within the pack is critical to enabling our youth to reach their full potential in the scouting program.
7. I understand that the Pack reserves the right to cancel sponsorship if the criteria described above are not met.
